CIN: U80301MH2012NPL237727

Date: 13th July 2024

Angel Xpress Foundation (AXF) was started in 2012 as a platform for concerned citizens willing to tutor and mentor first-generation learners from slums in their neighbourhoods. It is a 12 A and 80 G accredited Section 8 NGO where 3100 plus schoolgoers from slums get 200+ hours of English, Math and Values lessons, led by over 1200 plus volunteers at free learning centres across 30 locations in Mumbai.

AXF also allows students from privileged backgrounds to become"buddies" of their less privileged peers. The aim is to create a two-way learning and sensitisation experience for both.

We are happy to confirm that Somya Jain has taught Maths to our students and has completed 40 hours at the Angel Xpress Foundation Sewri Centre.

We appreciate his contribution towards the organization and development of the children.

Thanking you,

Punita Singh
Head of Programs,
Angel Xpress Foundation
