To
Somya Jain
Dhirubhai Ambani International School

Thank you for your support to
educo –Saibabapath School Support Programme

Dear Somya Jain

educo is a public charitable trust established in 2009 by Mrs. Meenal Srinivasan towards advancement of education of children from impoverished families. It runs a pilot 21st Century school at Saibabapath Mumbai Public School from Pre-K-10, in partnership with the municipal corporation under the School Support Programme. It provides education to 800+ students from the underprivileged communities of Lalbaug, Parel.

Over a decade of schooling, educo has delivered schooling to these students in academics, sports, social-emotional learning, IT art & extracurricular.

Educo is grateful for your support towards the Anti Tobacco Awareness Session conducted for our students of Grade 7th & 8th on Saturday 14th September 2024.

Thanking You,

Team educo
